NEW 1-PAGE MAILER!

1,000 LETTERS MAILED FOR YOU!

Dear friend, my name is Tracy Steel. In February 2009 I lost EVERYTHING! I lost my job and unemployment money ran out. The final blow came when my wife of 5 years walked out! In March I received a letter saying I could make BIG money, by sending 2 dollars to 6 people. A lawyer friend confirmed the letter was legitimate. So, I mailed the letters. Today, I have two homes, a car I bought CASH and guess what, the wife is BACK! I now live in the Cayman Islands, at the top tourist resort. Stop by when you make your \$800,000. I'll be the guy by the mailbox with the big grin.

I never failed to make at least \$800,000 each time I mail. But, the mailers had flaws:

- 1) It was a four-page mailer. Costly to print. (AND folks are not patient enough to read 4 pages.)
- 2) People could remove the names in the pay positions and replace them with relatives. **Earn \$2.00 on SIX levels!**
- 3) Some people would not COPY & MAIL the letter. That reduced the amount of money people made.

I edited the letters into the ONE page you are reading. I corrected the flaws and make the plan CHEAT-PROOF! I have made my money and moved on. I gave this plan to the MONITOR. The Monitor insures that EVERYONE gets the money. He makes nothing on this. The guy just likes to help people! YOU ARE HOLDING THE KEY TO RICHES!!
