How To Turn \$5 Into \$500!

You can make \$500 from every \$5 you invest. This is a two step process. First you will turn \$5 into \$100. Then you will turn that \$100 into \$500.

Here is how you do it. Take a one page report to a copy shop. Have 100 copies made. That will cost about \$5. If you wish, you can use this report.

To explain how this method works, I'll assume that you will offer this report.

Place this classified ad in Mail Order publications. FREE Report! How To Turn \$5 Into \$500! Send \$1.00 for postage and handling. (Put your name and address here.)

You can also use the one inch display ad that is included with this report. Just place your name and address in the dealer space. Make copies. Send them to Mail Order publications, with correct payment for your ad order.

When people see your ad, they will send you \$1.00 for your Free report. When you have received 100 requests, you will have made \$100.

When you fill your orders, always include circulars for other offers. The best idea is to include a circular for a \$20 program. Also include a discount coupon. With a \$20 program, a \$10 discount coupon will pull a ton of orders. Be sure to set an expiration date on the discount coupon. You could easily get 50 orders from the 100 persons who requested your Free report.

You now have \$100 plus \$500, for a total \$600, but you still aren't finished. When you fill orders for the \$20 program, be sure to include circulars for other offers. You will get more orders, especially if you include discount coupons.

After you pay all expenses, you could have \$500 or more cash in your pocket! When you see how easy it is, I am certain that you will want to continue with this simple way to make money.

The sample one inch display ad is below. Before you place your name and address in the ad, be sure to make copies of this page. Put your name and address in one of the copies. Then make copies of that ad to send to Mail Order publications.
