**“ Holy Cow! I had no idea I was your top enroller! And here's something else to blow your mind.**

I was diagnosed with ALS (Lou Gehrig's Disease) last year and am unable to eat, talk (Thank God for the Internet) and now find it hard to type since the muscles in my hands and arms have atrophied to the point where I can barely move them. I get my nutrition using a feeding tube in my stomach.

However, I shall continue to market WealthWorld... and have fun! Imagine being able to tell your prospects: **"If a guy with a so-called incurable, fatal illness can succeed with WealthWorld, imagine what YOU can do!**
