

**EARN \$1,200 (OR MORE) AUTOMATICALLY, EVERY MONTH,
THROUGH THE REGENESIS 2X2 PAY PLAN™.**

The cost to activate an Income Producing Commission Center in **REGENESIS** is \$300 one time out of pocket. By activating a Commission Center you are qualified to earn commissions through the Marketing Plan. Each and every time your 2x2 Matrix is filled with 6 Commission Centers (2 on your 1st level and 4 on your 2nd level) you will be paid a Royalty Commission of \$400 net and you will re-cycle your Commission Center into the first available position in your sponsor's matrix where this re-cycling, money-making process can repeat itself! Additionally, your sponsor will be paid a \$400 (100%) Matching Bonus.

There are 5 ways to fill your 2x2 matrix over & over again & again:

1. You sponsor additional Members.
2. *The Automated Recruiting System™* sponsors other Members for you and places these Members within your 2x2 matrix.
3. Duplication occurs within your matrix (i.e., Members who fail into your matrix sponsor other Members who also fall within your 2x2 matrix).
4. Spillover. Yes, spillover "can" benefit you and help you to fill your matrix.
5. Re-Cycling! This is the most powerful feature of the 2x2 Marketing Plan: Everybody who is sponsored by you will cycle back to you when their 2x2 matrix is filled, helping you to cycle and earn additional Royalty Commissions.

Once your matrix has been filled the computer will automatically re-piece you (cycle you) in the next position in your sponsor's matrix - this will benefit your sponsor, as you will cycle back into your sponsor's matrix, counting as one of his or her 6 customers all over again. Likewise, those who you sponsor into **REGENESIS** will always follow you by cycling back into **YOUR** matrix, which means they will occupy a new position in **YOUR** 2x2 matrix, which gets you closer to cycling and earning \$400 again!

100% Matching Bonuses are also paid on the Royalty Commissions earned by each Member you personally sponsor into **REGENESIS**. This includes both Members that you "personally" sponsor, as well as Members who are sponsored **FOR YOU** through *The Automated Recruiting System™* (more on this on the following page). This means that if you sponsor Robert into **REGENESIS** you will earn a \$400 Matching Bonus each and every time Robert cycles!

Matching Bonuses are paid on "ALL" Members personally sponsored by you (or **FOR YOU**). Matching Bonuses can become a significant part of your income because the more Members who are sponsored by you (or for you through *The Automated Recruiting System™*), the more Matching Bonuses you will earn!

Note: The benefit to having Multiple Commission Centers is very simple: each CC can earn \$1,200 in commissions (or more) per month based on the income projections as presented in this business overview. The activation of multiple CC's is a great leveraging tool for those who want to maximize the income potential of the 2 x 2 Marketing Plan. When activating more than 1 CC your #1 CC will be sponsored by the person who introduced you to **REGENESIS** and the additional CC's will be placed randomly in the company matrix where needed as this will increase your likelihood of receiving upline spillover and it will also help others to cycle through their 2x2 matrix. Every member whom you personally sponsor must be placed beneath your #1 CC as this will help your direct sponsor to earn additional Royalty and 100% Matching Bonus Income. Each CC that you activate will receive 2 new members through the **Automated Recruiting System™** and 300 business opportunity seeker leads that you can use to promote any business opportunity.
