If there were ever any magic words that any MLM or Mail Order Dealer would like to hear it would be "FREE POSTAGE." If you are now putting offers in the mail on a daily basis, our labels will supply you with an abundance of FIRST CLASS POSTAGE STAMPS.

If you haven't already, now is the time to examine the label on the front of the envelope in which this letter came. What makes a letter stand out from all the rest? Or what makes a postcard nearly jump to you? If you said, "FREE POSTAGE" you are right! FREE POSTAGE generates excitement and attracts attention. Our name and address labels will add the same impact to your mailing pieces...guaranteed!

No matter what you're selling, even if you have the best offer in the world, if your envelope doesn't get opened you won't get any results. With all the clutter in direct mail today, you must have something unique to break through that clutter. Our labels will do just that. The words "GET FREE POSTAGE FOR USING THESE LABELS" arouses curiosity and will get your envelopes opened, resulting in more orders for everything you sell... and that's a fact!

FREE POSTAGE STAMPS
 Each time you turn on a new customer to these labels, you will receive 60 first class postage stamps! No limit - you could be getting hundreds or thousands of stamps daily!

This is practically an effortless promotion and costs are nil. These labels are a useful product, simply use them and they will sell the program!

TO GET STARTED DO THIS... Purchase 60 First Class stamps. Since our employees and suppliers insist that we pay them in "greenbacks," while you're out purchasing stamps, we ask you to purchase a single money order in the amount of \$25 for each 1,050 labels ordered, and it should be made payable to S. Brzinski.

Fill in the order blank below and mail your stamps and money order to the 'user-dealer' whose name is at the very bottom of this page. Shortly after placing your order you will have in your hands your "PROIRITY MAIL PAK" which not only contains your labels, but a 'camera-ready' copy of this circular complete with your name and address. You can be ready to go almost instantly! And don't forget, once you're a 'user-dealer' you won't have to send stamps for your label reorders.

Think about this for a second - **HAVING TO SPEND YOUR MONEY FOR STAMPS WILL BE A THING OF THE PAST!**

Thank You!
